PAPER TIGER FILMS

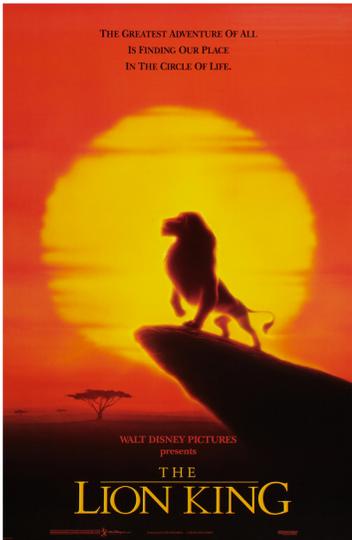

ANIMATION  
SUPERVISING PRODUCER  
ANIMATION DIRECTOR  
LIVE-ACTION  
WRITER/DIRECTOR

James Parris is a multilingual visionary whose work on page and screen spans animation and live-action, feature and series, kids and adult entertainment. His credits range from the Disney animation renaissance of the 90's, through the millennial rise of Superhero blockbuster features, to recent hit animated series on Netflix and Apple TV+. As a live-action writer-director, James oversees several projects in development at Paper Tiger Films, in addition to directing award-winning shorts, including 'Pink & Blue', a hybrid animated/live-action piece challenging gender bias in the world of children's toys. A New York-Los Angeles transplant, James remains a community-minded activist, as well as a regular guest speaker at animation festivals, universities and TedX - and a recipient of an honorary doctorate from Digital Media Arts College in Boca Raton, FL.
